Subject: REVIEW - BaP Internal Factsheet by COB Thursday June 5
Attachments: Benzoapyrene_factsheet_AODRAFT_06.02.14.docx

Hi Kathleen - I hope your move went well! Attached to this email is the BaP factsheet that you have reviewed several times over the last 6 months or so. The IO wants me to check back in with you to see if anything has changed between the public comment draft and the external peer review draft that we plan on releasing in the coming weeks.

Can you please review the attached factsheet, specifically looking at the "description of products and findings" section?

Please let me know if you have any questions!

Thanks!

Dahnish
